Dear Sir and Brother:

This will respond to your letter dated April 24, 2020 regarding Local Union 926, which is affiliated with the New York City District Council of Carpenters ("Council"). The Local Union has been, and remains, under UBC trusteeship since June 2019. Upon imposition of trusteeship, the incumbent officers were removed. As supervisor, you recommended that the following members be appointed to the Local Union 926 Executive Board.

You advised that each candidate was vetted by the Council's Inspector General's Office, completed relevant documentation, and no issues that would prohibit their service were discovered. Furthermore, on April 9, 2020, the firm of Terry Mooney, CPA conducted approved officer training with all of the candidates. Also, all candidates acknowledged, in writing, that they had read the materials provided to them by Mr. Mooney's office and understood their responsibilities, e.g. fiduciary responsibilities, as an officer, including as provided for under the UBC Constitution.

Accordingly, effective immediately, I appoint, on a *pro tem* basis, the following members to the position opposite their name:

Martin Tuozzo	President
Andy Monje	Vice President
Vincent Alaimo	Financial Secretary
Anthony Belisario	Recording Secretary
Dominick Giglio	Treasurer
Conor Rogers	Conductor
Tyrone Ellis	Warden
Christina Perez	Trustee
David Stewart	Trustee
Charles Bullock	Trustee

Fraternally yours,

A handwritten signature in black ink, appearing to read "Douglas J. McCarron". The signature is fluid and cursive, with the first name "Douglas" being the most prominent.

General President
